Dear Sir,

RE: Letter of opinion to my bankers to confirm a sound financial position.

I refer to your website www.oi500.com

I am considering whether or not the opportunity to become an oi! brand importer/distributor, in a territory to be determined, will be suitable for me.

I understand that, before we consider the next step, I must provide a bank opinion to indicate that I am in a sufficiently sound financial position to fund the importation and distribution activities to the minimum financial level as stipulated by you.

Please forward the two questions noted below to my nominated bankers and request that my bankers respond directly to your enquiry via electronic mail at distributor@oi500.com, with a hard copy forwarded to your Hong Kong address as noted above.

- Please advise if your client is good for USD50,000.00 on demand or such equivalent sum in EUR, AUD or GBP currency.
- Please advise if your client has sufficient facility credit limits with your financial institution to merit an overall import/distribution facility of not less than USD100,000.00.
